GAYLORD OPRYLAND
NASHVILLE, TN

——

The American Academy of Nurse Practitioners (AANP) cordially invites you to join your colleagues for the 24th National Conference, June 17-21, 2009, at the Gaylord Opryland Resort & Convention Center in Nashville, Tennessee.

AANP on-site registration and check-in will begin on Tuesday, June 16th from 4:00 pm - 9:00 pm. The registration desks will be located in the convention center area of the Gaylord Opryland in the Delta Ballroom Lobby.

This registration brochure includes the 24th National Conference Schedule. Please review the schedule and plan your preferences from the wide variety of topics available this year. When you are ready to register, **we encourage you to go to www.aanp.org and register on-line for immediate access to session availability, confirmation of session assignments and printable payment receipt.** If you prefer to register by mail or fax, the registration form is located in the middle of this brochure. We appreciate you sharing this brochure with a colleague if you have received more than one copy.

AANP will provide frequent email updates and share important information with registrants in the months leading up to the conference. **To receive these registrant communications, it is critical that AANP has your current email address.** Please add AANP (aanp@aanp.org) to your email address book. If you still have difficulty receiving communications from AANP, contact your Internet Service Provider and request that they allow you to receive email communications from aanp@aanp.org. If you cannot receive email from AANP, you will miss important conference notifications. Not only will this provide AANP with the most expeditious way of reaching our registrants with vital information, but also facilitates AANP operations to be environmentally responsible.

Conference Information

CONFERENCE SITE

Nashville, also known as the Country Music Capitol, has been hailed by *Travel & Leisure* magazine as one of the "friendliest cities in the United States." Located on the banks of the Cumberland River, the Gaylord Opryland has nine acres of indoor gardens, cascading waterfalls and an indoor river with its own Delta flatboat. Within the abundant landscape, you will find over 20 unique shopping experiences, numerous and affordable restaurants and dining options, and six bars and lounges including their nightclub. Pamper yourself at Relâche, Gaylord's world-class resort spa & fitness center. Gaylord Opryland also has three swimming pools and an 18-hole, par 72 golf course, Gaylord Springs. Within close walking distance, you have the Grand Ole Opry, the General Jackson Showboat, a Tennessee walking horse viewing area and Opry Mills, a shopping outlet that features top names in manufacturers and retail outlets, high quality entertainment venues and themed restaurants. Your stay in Nashville would not be complete without visiting the historic Ryman Auditorium, the Grand Ole Opry or the Country Music Hall of Fame. Other places of interest are the Tennessee Sports Hall of Fame, Nashville Zoo, the Hermitage, Parthenon, Cheekwood Botanical Gardens and much, much more!

AANP has arranged with Gaylord Opryland to have the special conference rates honored from June 13 – June 24 (3 days prior to and after the main conference arrival & departure dates), based on availability. Plan early to utilize this opportunity to bring the family to Nashville for a vacation!

CONFERENCE OBJECTIVES

- Provide expert faculty presentations of current, practical, and clinically oriented evidence-based practice information in specialty areas such as: acute care, adolescent/pediatric, adult/family, business/professional issues, gerontology, integrative medicine, men's health, occupational health, pharmacology, psychiatric/mental health, research, uniformed/military and women's health
- Provide state-of-the-art skills enhancement workshops
- Discuss current national, state and local legislative, regulatory and practice issues affecting nurse practitioners
- Provide international and national opportunities for collegial networking

CONFERENCE SCHEDULE

AANP has a priority in maintaining the breadth of clinical activities that are the hallmark of premier national NP conferences. This year's clinical sessions focus on the topics and workshops ranked most important by our members in the AANP Member CE Needs Survey conducted in 2008. To address the growing diversity of conference attendees, clinical sessions and workshops have been increased to 25 concurrent sessions throughout the schedule. Selection of topics and expert

faculty focus on creating a conference that addresses the educational and professional needs of the novice to very experienced nurse practitioner attendee from every specialty area. Of course, time within the schedule for networking and visiting the Exhibit Hall continues to be a high priority.

NOTE: Content presented reflects the knowledge and opinions of the presenters and does not necessarily reflect the positions and views of AANP. The conference program and faculty, while currently confirmed, are subject to change at any time.

CONFERENCE FEES

AANP members receive a substantial discount on their conference registration fees. If you are not a current AANP member, we encourage you to join in order to take advantage of the great conference rate. All conference fees can be found on the registration form located in the center of this brochure.

AANP will continue to offer a special rate to AANP student members by discounting the student registration fee to \$50.00. For details regarding student membership, please email studentmembership@aanp.org. Act now to take advantage of this special rate.

CONFERENCE REGISTRATION / CONFIRMATION

The registration process for the national conference will be conducted in two (2) phases:

- Phase 1 – Conference Sessions (available on-line, by fax or mail)
- Phase 2 – Industry-Supported Events (available on-line only)

Phase 1 – Conference Sessions Registration

There are 3 ways to register for the conference – however, we **HIGHLY RECOMMEND** that you use the electronic AANP On-line Registration System. No matter what method you choose, REGISTER EARLY! Skills workshops are limited in attendance and fill quickly.

Electronically utilizing AANP On-line Registration System (go to the 2009 Conference page at www.aanp.org)

On-line registrants will discover many advantages to this preferred method of registration. When registering on-line you have current availability of sessions, immediate confirmation of assignments and a printable receipt of payment. The AANP on-line registration system works best with *Microsoft Internet Explorer, Version 6.0* and above. It does not work with *Netscape*. On-line registration requires credit card payment; AANP accepts VISA, MasterCard and American Express.

Mail / Fax Utilizing Registration Form

The conference registration form can be found in the center of this brochure on pages 1R-4R. When registering with a paper registration form, all required information must be completed and your payment must be included. **Incomplete submissions will be returned to sender.** AANP staff will enter complete registration forms received by fax or mail (in order of receipt). Session assignments occur when the registration is entered and payment has been confirmed. For registrations received by Tuesday, May 26, 2009, the receipt including session assignments will be mailed to the registrant. For registrations received after May 26th, session assignments and receipts will be available at the AANP Check-In and On-Site Registration Desk at Gaylord Opryland.

If you do not receive a confirmation/receipt within three weeks of mailing or faxing your registration form, please contact AANP at admin@aanp.org or 512-442-4262. **AANP may not have received your registration form.**

On-Site Registration

On-site registration will be available if session registration numbers have not been reached. On-site registration will begin on Tuesday, June 16th from 4:00 pm – 9:00 pm and will be available throughout the conference. The AANP conference registration desks will be located in the convention center area of the Gaylord Opryland in the Delta Ballroom Lobby.

Phase 2 – Industry-Supported (IS) Events Registration

Costs of meal time events presented at the AANP conference are not included in the conference registration fees. These CE symposia and non-CE product theaters are supported entirely through health-care industry funds. This support allows AANP the opportunity to offer conference registrants complimentary access to a limited number of additional meal time educational presentations. Due to their educational focus and guideline requirements, attendance is restricted to conference registrants only.

Registration for these events will not be available until support has been confirmed in late spring 2009. When on-line registration opens for these events, all conference registrants will be sent an email with information and instructions regarding how to add available industry-supported events of clinical interest to their current conference registration. This is accomplished exclusively through the on-line conference registration site. As with other conference sessions, each industry-supported event will remain available only until filled. Therefore, it is important to maintain a current email address with AANP so that you receive the email notification when registration for these additional opportunities opens. Please add AANP (aanp@aanp.org) to your email address book. If you still have difficulty receiving communications from AANP, contact your Internet Service Provider and make a request for your account to be set to receive correspondence from aanp@aanp.org. You will miss important conference notifications if you cannot receive email from AANP.

All meal events offer a vegetarian option. If you have additional dietary needs, please call AANP at 512-442-4262 or email admin@aanp.org by May 26, 2009.

CONFERENCE CONTINUING EDUCATION (CE) CONTACT HOURS

More than 30 contact hours of continuing education (CE) will be offered at the 24th National Conference. Most CE accredited sessions have the specific number of contact hours listed near the different educational session category in this brochure. All state regulatory agencies, ANCC, NCB/PNP and NCC recognize AANP CE hours for their NP certification maintenance requirements. California NPS: Provider approved by the California Board of Registered Nursing, Provider #CEP11255.

CANCELLATION / REFUND POLICY

Refunds on paid registrations will be issued for written cancellation requests received no later than Tuesday, May 26, 2009. All refunds will be issued for the paid registration minus a \$50.00 administrative fee or a \$25.00 administrative fee for a student registration. **After Tuesday, May 26, 2009, NO REFUNDS WILL BE GRANTED.** Please note, if you do not cancel in writing to AANP and do not attend, you are still responsible for payment.

RETURNED CHECK POLICY

An administrative fee of \$35.00 will be charged for all checks returned to AANP for insufficient funds.

CONFERENCE / CITY ATTIRE AND CLIMATE

The conference dress code is business casual. While we attempt to keep meeting rooms at a comfortable temperature, layered clothing is suggested.

When you are ready to take a break from the classroom, please plan to venture off and enjoy the Nashville area. High daytime temperatures in June are approximately 85-88°F and call for lighter clothing when outdoors. The typical evening temperatures are in the 65-68°F range. The Gaylord Opryland glass atriums offer a comfortable climate-controlled environment (approximately 74°F).

SPECIAL NEEDS FACILITIES / SERVICES

In accordance with ADA, Gaylord provides ramp access, restroom facilities, Braille elevator buttons, phone and fire alarms for the hearing impaired, assisted listening devices and wheelchair rentals for patrons with disabilities.

Please notify the AANP at 512-442-4262, **no later than Tuesday, May 26, 2009**, if you require special accommodations or auxiliary aid needs relating to a disability for your conference sessions.

CONFERENCE EVENTS ACCESS

All participants **MUST** wear their official conference name badge at all times to access conference events.

CHILDREN AND CHILDCARE SERVICES

For many reasons, such as audio recording of the sessions, maintenance of appropriate learning environment and safety concerns, infants and children are not allowed in sessions or the Exhibit Hall.

For childcare services, Gaylord Opryland recommends Family Care Connection (615-371-0600) and Sitter Solutions (615-373-3133). Both services are located in Brentwood, TN, which is 15-20 minutes away from Gaylord Opryland. Please contact each service directly for additional information.

EXHIBIT HALL

A variety of pharmaceutical companies, medical supply and equipment companies, computer and business support companies, recruiters and publishing houses have been invited to participate in the AANP 2009 Exhibit Hall. Take this opportunity to see and examine the latest developments in pharmaceuticals, equipment, supplies and services to support your practice. Attendees must wear an official conference name badge for access into the Exhibit Hall. AANP invites conference registrants to join us Thursday evening for a reception and the grand opening of the Exhibit Hall.

Guest badges will be distributed, upon request, to conference attendees' guests, ages **16 & over**, to allow entrance into the Exhibit Hall. Guest badges are free and will be available at AANP Check-in and On-Site Registration Desk.

AANP CareerLink – THE CONFERENCE CONNECTION

Looking for a new position? Recruiting employees? Your job search can be quick and easy when you post your resume or target your recruitment efforts using the AANP CareerLink Conference Connection. This unique 24/7 web-based on-line job placement service is your one-stop shop whether you want to find a job or fill a job. Take the first step now in finding that ideal employee or new position. Go to www.aanp.org and click on AANP CareerLink on the left sidebar. Follow the easy instructions to either post your resume or your job opening. Then make plans to connect with the right professionals during the AANP 24th National Conference in Nashville June 17-21, 2009.

Accommodations & Travel Information

HOTEL RESERVATIONS

This year's conference will be held at the Gaylord Opryland Resort & Convention Center located at 2800 Opryland Drive, Nashville, TN. The Gaylord Opryland is a smoke-free facility. The AANP special conference rates are available through Monday, May 25, 2009, unless the hotel fills. After May 25th, reservations and rates will be based on availability.

Special conference rates will be honored for conference registrants and their families for reservations that occur any time from June 13-24, 2009 (based on availability).

To make hotel reservations through Gaylord Opryland's telephone reservation or Passkey on-line reservation systems, conference registrants must have the AANP assigned Attendee Code. AANP conference registrants will receive this code on their registration receipt upon completion and payment of conference registration. Immediate access to the receipt and code is another advantage of completing registration on-line. If you have any questions, please contact AANP at admin@aanp.org or 512-442-4262.

The guest room rate for conference attendees is:

Single/Double - \$159.00

There is an additional charge of \$15.00 per person for triple and quad occupied guest rooms. Children under 18 years of age stay free when occupying the same room as their parents. Upgrades to guest rooms are available at an additional charge of \$20.00 per guest room. Suite accommodations must be facilitated through AANP; if you want to reserve a suite, please contact AANP at conference@aanp.org or call 512-442-4262.

Please note: All guest rooms are subject to daily taxes and a daily \$10.00 resort fee. This daily resort fee includes:

- Guest room high-speed Internet access
- Wireless Internet access in atriums, restaurants and lobbies
- Access to fitness center
- Bottled water (2 bottles provided daily)
- Scheduled campus transportation to Gaylord attractions
- Daily newspaper (includes weekends)
- Toll-free phone calls up to 20 minutes
- Local phone calls up to 20 minutes

AIRPORT

Nashville International Airport
Airport Code: BNA

TRANSPORTATION SERVICES

Information regarding transportation services and rental cars will be posted on AANP's website in the spring. Please check www.aanp.org, or wait for informational emails for these discounted rates and additional information.

9.1.10-A FUNDAMENTAL CRITICAL CARE SUPPORT COURSE (TWO DAY COURSE) (15.5 hrs CE for entire course)

IMPORTANT NOTE: If assigned to this two-day workshop, plan to report no later than 7:45 AM each day.

This is a two-day credentialing course supported by the Society of Critical Care Medicine. The Fundamental Critical Care Support Course (FCCS) is designed for both instructors and providers. FCCS is a standardized course, providing an approach to initial management (first 24 hours) of the critically ill patient for the non-intensivist. The course offers both classroom and "hands on" interactive instruction, especially care related to mechanical ventilation, organ hypoperfusion, respiratory failure, acute coronary syndromes and neurological/trauma support.

Faculty: Kent D. Blad, MS, ACNP-C, FNP-C, FCCM, FAANP, Provo, UT; Sabrina Jarvis, MS, ACNP-C, FNP-C, FCCM, Orem, UT; Sophia Chu Rodgers, ACNP, NP-C, FAANP, FCCM, Albuquerque, NM; Sarah Layman, BSN, MSN, ACNP-BC, ANP-BC, PNP-BC, Seattle, WA; Robert L. Palmer, PA-C, REMT-P, Boston, MA; Steven W. Branham, RN, MSN, ACNP-C, FNP-C, CCRN, Houston, TX; and Ron Ulberg, MSN, RN, CCRN, Provo, UT

There will be a lunch break each day from 12:00 pm – 1:00 pm (on your own).

You will not receive a completion certificate in this FCCS course unless you attend and complete the entire two-day course and pass the post-test.

A course textbook is required for each participant in this workshop. It is included in the \$150.00 fee for this course and is due at time of conference registration (see payment information on registration form page 4R). Once you have received the textbook and other materials, no refund is available for course if cancelled by the registrant for any reason. This course is not available to daily registrants.

- 9.2.22 **Happy Faces: Early Childhood Caries – Identification, Treatment and Prevention.** Melody Weaver French, PhD, NP, Susanville, CA
- 9.2.23 **In the Spotlight: Honing Your Presentation Skills.** Margaret A. Fitzgerald, DNP, FNP-BC, NP-C, FAANP, CSP, North Andover, MA; R. Mimi Secor, MS, MEd, FNP-BC, FAANP, Upton, MA; and Wendy L. Wright, MS, RN, ARNP, FNP, FAANP, Amherst, NH
- 9.2.24 **Oncologic Emergencies: Rapid Recognition and Early Intervention.** Ima N. Garcia, RN, MSN, ACNP-BC, Chicago, IL
- 9.2.25 **Endocarditis: What are the New Guidelines?** Barbara A. Todd, MSN, CRNP, APRN-BC, FAANP, Philadelphia, PA

8:30 AM – 11:30 AM

WORKSHOPS AND SEMINARS (2.75 hrs CE)

- 9.2.28 **Armed with Knowledge: Pain Assessment and Management in Today's Challenging Adult and Geriatric Populations.** *Each day in their practice, NPs evaluate patients who suffer with chronic pain. This lecture will focus on the challenges of treating the geriatric population as well as those with histories of addiction. Assessment, management and use of up-to-date evidence-based opioid and co-analgesic pharmacologic therapies will be reviewed and case study review will support this lecture.* Christine Coletta-Hansen, MSN, CRNP, ACHPN, Collegeville, PA
- 9.2.29 **Spirometry for the Primary Care Provider: Principles, Practice and Application.** Repeat of Session 9.1.39 (see page 4 for description) (Limited to 75 registrants)
- 9.2.30 **Basic Suturing: It's All Sewn Up.** Repeat of Session 9.1.40 (see page 5 for description)
A \$20.00 tool/supply kit is required for each participant in this workshop. This fee is due upon check-in at the workshop. (Limited to 120 registrants)
- 9.2.31 **Arterial Line & Central Line Insertion Workshop.** Repeat of Session 9.1.41 (see page 5 for description) (Limited to 60 registrants)
- 9.2.32 **Ventilator Modes and Weaning Methods: An Update for Clinical Management.** *Comprehensive information about complex mechanical ventilator modes. Respiratory waveform graphics incorporated as a means of assessing patients' tolerance of the modes and selected clinical conditions. Evidence-based weaning methods and other strategies to improve outcomes in the ventilated patient also covered.* Suzanne M. Burns, RN, MSN, RRT, ACNP, CCRN, FAANP, Charlottesville, VA
- 9.2.33 **Orthopedic Evaluation & Treatment of the Upper Extremities.** *Review ortho-neuro anatomy of the upper extremity & explore exam, diagnosis & treatment of complaints involving the upper extremity commonly found in primary care. Learn provocative tests & pearls of practice including guided return demonstration. Some imaging studies will be reviewed and their clinical correlations discussed.* Gregory B. Holm, PhD, NP-C, FAANP and Assistants, Tampa, FL (Limited to 100 registrants)

9.2.34 Yoga, Tai Chi and Qi Gong: Mind-Body Therapies for NPs and Their Patients.

Repeat of Session 9.1.44 (see page 5 for description)

Yoga mat provided; please bring a towel.

Note: One hr CE is granted for this workshop.

(Limited to 30 registrants)

9.2.35 Analysis of the 12-Lead ECG. *This program presents a systematic approach to 12-lead ECG interpretation. Discussion begins with the foundation for axis interpretation followed by analysis of morphologic changes including atrial abnormality, bundle branch block, ventricular hypertrophy and a variety of other acute and chronic changes.* Sally K. Miller, PhD, APN, FAANP, Las Vegas, NV9.2.36 Neurological Radiology in Acute Care: Indications and Interpretation. *This presentation will review the different forms of neurological imaging and the indications for each of them. This will include a review of CT and MRI imaging of the brain and spine, x-rays of the spine, CT angiography, conventional angiography, MR angiography, etc. Multiple case studies will be used to illustrate important concepts.* Linda L. Herrmann, MSN, RN, CNRN, GNP-BC, Phoenix, AZ

8:30 AM – 2:30 PM

9.2.38 ¡Español Rapido! Intermediate Spanish for Nurse Practitioners (4.5 hrs CE). *This is fun, fast, engaging learning for those who have some background in medical Spanish. Learn questions and commands relative to the present illness, past medical history, parts of the body, physical exam, diagnosis and treatment. There will be time for specific questions and participants will have take-home reference material.* Diane Dávalos, MA, MAT, PhD(ABD), Denver, CO and Suzy Martinez, BA, Mill Creek, WA

Prerequisite: Participants must have studied Spanish for at least two years or regularly use it in their practice and/or office.

Participants must attend the whole workshop. There will be a 60-minute break for lunch (on your own).

(Limited to 72 registrants)

9.3.22 **Body Dysrhythmias: Clinical Management of Chronobiological Impairment.** Christine Kessler, MN, CNS, ANP, BC-ADM, Washington, DC

9.3.23 **Anemia in Women.** Wendy L. Wright, MS, RN, ARNP, FNP, FAANP, Amherst, NH

9.3.24 **Submitting a Competitive Abstract.** Judith A. Berg, PhD, RN, WHNP-BC, FAANP, Tucson, AZ

9.3.25 **Pharmacotherapy in Men's Health: From Inflammation to Dysfunction.** Thomas W. Barkley, Jr., DSN, APRN, BC, ACNP, Los Angeles, CA

8:30 AM – 11:30 AM

WORKSHOPS AND SEMINARS (2.75 hrs CE)

9.3.27 **Abdominal Pain: What the Primary Care Clinician Needs to Know!** *Both didactic and hands-on practice sessions to evaluate the patient with abdominal pain and possibly an acute abdomen in primary care. Learn how to evaluate a patient who presents with abdominal pain including hands-on practice using the tips and tools discussed during the lecture.* Bruce S. Zitkus, EdD, CANP, CFNP, CDE, Patchogue, NY and Assistants

Please wear comfortable clothing and bring a towel. Attendees will be partnered and perform assessments on each other's abdomen during the hands-on portion of this workshop.

(Limited to 80 registrants)

9.3.28 **CPT Coding: Beyond the Basics.** *Review of CPT, HCPCS and ICD-9 codes you use on a daily basis. We will concentrate on E/M codes for visits, consultations and other locations of service. We will review modifiers, surgical coding concepts and codes from the medicine section of CPT. You will be directed on how to clearly identify accurate diagnosis coding.* Barbara Pierce, CCS-P, ACS-EM, West Des Moines, IA

9.3.29 **Orthopedic Evaluation & Treatment of the Lower Extremities.** *Review the functional ortho-neuro anatomy of the lower extremity & explore the exam, diagnosis & treatment of complaints involving the lower extremity commonly found in primary care. Learn provocative tests & pearls of practice including guided return demonstration. Some imaging studies reviewed and their clinical correlations discussed.* Gregory B. Holm, PhD, NP-C, FAANP and Assistants, Tampa, FL

(Limited to 100 registrants)

9.3.30 Advanced Suturing and Digital Blocks: Taking it to the next level. *This workshop will discuss complex suturing issues using known stitches and will include learning continual simple, horizontal, corner, subcutaneous (buried), half-buried stitches and other advanced techniques as well as digital blocks and learning how to perform them.* Gregory L. Brooks, MS, ARNP, Oklahoma City, OK and Assistants

Prerequisite: Registrants for this class must have previous course instruction in basic suture techniques and be proficient with basic suturing skills through clinical experience.

Suture supplies provided by Ethicon, A Johnson and Johnson Company

A \$20.00 tool/supply kit is required for each participant in this workshop. This fee is due upon check-in at the workshop.

(Limited to 120 registrants)

9.3.31 Valvular Heart Disease: Recognition and Treatment. *Valvular heart disease remains a common cause of morbidity and mortality. With the dramatic aging of the American population over the past several decades, degenerative lesions of the mitral and aortic valves, resulting in mitral regurgitation (MR), aortic stenosis (AS), or aortic regurgitation (AR) have become the most prevalent valvular disorders requiring surgery. This seminar will focus on the recognition & management of these disorders along with mitral valve prolapse syndrome and the recognition of acute versus chronic mitral regurgitation.* Kristine Anne Scordo, PhD, RN, ACNP-BC, Cincinnati, OH

9.3.32 Sports Medicine Workshop. *Learn to evaluate and assess common sport injuries from head to toe. Each participant will learn specific tests for each joint and body area.* Steven S. Cassabaum, MSPT and Jason C. Horras, MP, Nevada, IA

(Limited to 75 registrants)

9.3.33 Hospital Based Glycemic Management: A Special Population. *This will be an overview of glucose management in the critically ill patient. Goals, interventions and obstacles will be discussed.* Pamela Combs, MSN, CNP, Cleveland, OH

9.3.34 Applying Integrative Medicine Modalities to Resolve Muscle Tension & Pain and Improve Common Medical Problems. *This workshop will cover a variety of integrative medicine approaches (non-needle acupuncture using the Chinese Ear and Korean Hand Therapy approaches, osteopathic strain-counter-strain manipulation, physical therapy stretches, stress reduction) to help patients with musculoskeletal tension and pain. Correlation of localized spinal muscle tension has been identified with common medical problems (respiratory infections, allergies, reflux, constipation). Applying treatments to resolve localized muscle tension often provides immediate, sometimes dramatic, improvement in infants, children and adults. This workshop will use lecture, demonstration, and participants working with their colleagues to learn some of these approaches with the goal of participants being able to make immediate use of them.* Lawrence B. Li, MD, MPH, FAAFP, Lompoc, CA

A \$20.00 tool/supply kit is required for each participant in this workshop. This fee is due upon check-in at the workshop.

(Limited to 40 registrants)

9.3.35 Thoracic Procedures. *The first half of the workshop will review normal and abnormal chest anatomy and indications for tube thoracoscopy (chest tube insertion) or thoracentesis, techniques for tube thoracoscopy, thoracentesis and the use of the Heimlich valve. The second portion of the workshop will consist of hands-on experience with chest tube insertion and performing thoracentesis on manikins.* Michael H. Ackerman, DNS, RN, ACNP-BC, FCCM, FNAP, FAANP, Rochester, NY and Rich McLaughlin, MS, APN, ACNP-BC, RN/FA, Rockford, IL

(Limited to 60 registrants)

8:30 AM – 2:30 PM

9.3.38 ¡Español Rapido! Beginning Spanish for Nurse Practitioners (4.5 hrs CE). Repeat of Session 9.1.48 (see page 5 for description)

(Limited to 72 registrants)

10:15 AM – 11:30 AM

CONCURRENT PRESENTATIONS (1.25 hrs CE)

9.3.40 Normal Pressure Hydrocephalus: An Often Unrecognized Cause of Dementia. Christine Byrd, RN, MSN, ANP, ACNP, CNRN, Cape Girardeau, MO

9.3.41 Managing Acute Care Conditions in Occupational Health. Diego F. Perez, MSN, ACNP, Toledo, OH

9.3.42 Lesions, Swelling, Pain and Dysfunction: Men's Health Update. Thomas W. Barkley, Jr., DSN, APRN, BC, ACNP, Los Angeles, CA

9.3.43 Retail Health Care: The Evolution and Future Trends. Kevin L. Smith, RNC, FNP, MSN, Minneapolis, MN

9.3.44 PCOS Update: New Risks, Diagnostic Criteria and Treatment Guidelines for this Under-Diagnosed and Potentially Serious Condition.

R. Mimi Secor, MS, MEd, FNP-BC, FAANP, Upton, MA

9.3.45 • Screening, Diagnosis and Treatment of Depression & PTSD in Active Duty Service Members Using RESPECT-MIL. CPT Tracy Burton, RN, MSN, FNP-C, El Paso, TX

• A Nurse Facilitated Depression Screening Program in an Army Primary Care Clinic: An Evidence-Based Project. LTC Edward E. Yackel, RN, MSN, FNP-C, Fort Eustis, VA

9.3.46 Airway Clearance Devices for the Primary Care Provider. Repeat of Session 9.3.16 (see page 9 for description)

(Limited to 50 registrants)

9.4.21 Stress Management: Finding Calm & Balance. Margaret (Margee) Rees Krebs, RNC, MS, WHNP, ANP, Richmond, VA

9.4.22 Treatment of the High Risk Person with Hypertension. Kristine Anne Scordo, PhD, RN, ACNP-BC, Cincinnati, OH

9.4.23 Being a Preceptor: How To Do It and Not Lose Your Mind. Elizabeth R. Barker, PhD, APRN, BC, FAANP, FACHE, Columbus, OH and Oralea A. Pittman, MS, FNP-BC, Bellefontaine, OH

9.4.24 The Angry Red Eye! Current Concepts for Primary Care. Tommy S. Korn, MD, FACS, San Diego, CA

8:30 AM – 11:30 AM

WORKSHOPS AND SEMINARS (2.75 hrs CE)

9.4.26 Thoracic Procedures. Repeat of Session 9.3.35 (see page 10 for description)

(Limited to 60 registrants)

9.4.27 Assessment and Management of Acute Pediatric Burns and Trauma. *This presentation will provide a comprehensive discussion of the incidence of burns and trauma in the pediatric population as well as a review of the associated morbidity and mortality of these injuries. Attendees will receive practical information regarding the initial management and stabilization of pediatric burn and trauma patients including pre-hospital care. Attendees will also receive an introduction to hospital management of pediatric patients with a wide variety of complex injuries.* Richard D. Brown, MSN, CRNP, JD, Birmingham, AL

9.4.28 Casting and Splinting Workshop: It's Broke – Fix It! *Hands-on opportunity to brush up on management of basic non-displaced fractures, sprains, strains and overuse injuries that commonly present in the ambulatory setting or ER.* Eric E. Coris, MD, Tampa, FL

(Limited to 56 registrants)

9.4.29 Chest and Abdominal X-Ray Interpretation: Honing Your Skills. *NPs often are called upon to interpret x-rays. This workshop will teach the NP a useful, systematic approach to the interpretation of x-rays. Chest films and abdominal films will be reviewed. Each participant will be asked to interpret various films.* Wendy L. Wright, MS, RN, ARNP, FNP, FAANP, Amherst, NH

9.4.30 Dermatology Office Procedures: Cut to the Diagnosis! *This workshop will involve a didactic session and a hands-on workshop to include suspicious lesions, KOH preparation (didactic only), cryosurgery (didactic only), shave and punch biopsy with suture closure (hands-on).* Barbara McKeehen, MSN, ARNP, DNC, Largo, FL

A \$20.00 tool/supply kit is required for each participant in this workshop. This fee is due upon check-in at the workshop.

(Limited to 120 registrants)

- 9.4.31 **Musculoskeletal Injections and Arthrocentesis.** *Indications and techniques for office injection of trigger points, bursa and joints discussed and demonstrated. Drainage of the joints and bursa also discussed and demonstrated. Guided return demonstration using manikins and live models facilitate practitioner confidence in these important therapeutic techniques.* Gregory B. Holm, PhD, NP-C, FAANP and Assistants, Tampa, FL
Please wear "active wear" clothing. Attendees will perform assessments on one another during the hands-on portion of this workshop.
(Limited to 70 registrants)
- 9.4.32 **Sports Medicine Workshop.** Repeat of Session 9.3.32 (see page 10 for description)
(Limited to 75 registrants)
- 9.4.33 **Reimbursement in the Acute Care Setting.** Kathy S. Magdic, MSN, ACNP-BC, FAANP, Pittsburgh, PA and George A. Sample, MD, FCCP, Washington, DC
- 9.4.34 **Applying Integrative Medicine Modalities to Resolve Muscle Tension & Pain and Improve Common Medical Problems.**
Repeat of Session 9.3.34 (see page 10 for description)
A \$20.00 tool/supply kit is required for each participant in this workshop. This fee is due upon check-in at the workshop.
(Limited to 40 registrants)
- 9.4.35 **Creating a Chart Auditing Program: Part 1** (first half of 6 hour course). *Part 1 of this chart auditing course takes you through the 1995 and 1997 documentation guidelines, acquaints you with the audit tool and reviews the requirements for each of the E/M codes, based on CPT descriptors. Learn what is required in the areas of history, examination and medical decision making for each of the E/M codes. This course will give you the basics to begin thinking about an appropriate auditing program. Part 2 (9.4.75) of this course will allow you to practice auditing on sample notes.* Barbara Pierce, CCS-P, ACS-EM, West Des Moines, IA
Registrants for the course are required to attend Part One and Part Two.
(Limited to 75 registrants)
- 8:30 AM – 3:00 PM
- 9.4.38 **¡Español Rapido! Beginning Spanish for Nurse Practitioners** (4.5 hrs CE). Repeat of Session 9.1.48 (see page 5 for description)
Participants must attend both morning and afternoon sessions. There will be a 60-minute break for lunch (on your own).
(Limited to 72 registrants)
- 9:30 AM – 3:00 PM
EXHIBIT HALL OPEN
- 10:15 AM – 11:30 AM
CONCURRENT PRESENTATIONS (1.25 hrs CE)
- 9.4.40 **Ethnopharmacology: Race or Pharmacogenomics?** Thomas W. Barkley, Jr., DSN, APRN, BC, ACNP, Los Angeles, CA
- 9.4.41 **Anaphylaxis: Current Concepts.** Pramod Kelkar, MD, Maple Grove, MN
- 9.4.42 **Yelling, Screaming and Delusions, Oh My! Psychotropic Drug Management in the Elderly.** Nanette Lavoie-Vaughan, MSN, ARNP-C, Raleigh, NC
- 9.4.43 **Osteoporosis – Diagnosis and Management: A Primary Care Approach.** H. James Brownlee, Jr., MD, Tampa, FL
- 9.4.44 **Nutraceuticals: Fact vs Fiction on "Foodie Therapy."** Christine Kessler, MN, CNS, ANP, BC-ADM, Washington, DC
- 9.4.45 **Diagnosis and Management of Women with Abnormal Uterine Bleeding.** Sarah B. Freeman, PhD, APRN, FAANP, Atlanta, GA
- 9.4.46 **Eye Emergencies Not to Miss in Primary Care!** Tommy S. Korn, MD, FACS, San Diego, CA
- 9.4.47 **Interpretation of Exercise Stress Testing: It's More Than the ST Segment.** Kristine Anne Scordo, PhD, RN, ACNP-BC, Cincinnati, OH
- 9.4.48 **Inflammation: Assessing, Preventing and Treating This Common Denominator in a Variety of Diseases.** Margaret A. Fitzgerald, DNP, FNP-BC, NP-C, FAANP, CSP, North Andover, MA
- 9.4.49 **The 4 Rs of Revising Your Manuscript: Reading, Reflecting, Rewriting and Responding.** Charon A. Pierson, PhD, GNP/BC, FAANP, Editor-in-Chief, *Journal of the American Academy of Nurse Practitioners*, Austin, TX
- 9.4.50 • **Development of an Interview Tool to Guide Patient-Practitioner Encounters in Military Cross-Cultural Environments: Focus on Women's Health Care.** CAPT Linnea M. Axman, NC, USN, DrPH, MSN, CFNP, FAANP, San Diego, CA
• **Nurse Practitioners Branch into Humanitarian Care Off a United States Naval Amphibious Warship.** LCDR Kathaleen Sikes, NC, USN, Camp Lejeune, NC
- 9.4.51 **How to Gain Control Over Your Occupational Health Medical Costs.** Arlene Guzik, DNP, ARNP-BC, COHN-S, FAAOHN, Dunedin, FL
- 9.4.52 **Autism Spectrum Disorder: Challenges and Opportunities.** Margaret C. Souders, PhD, CRNP, Philadelphia, PA
- 12:00 PM – 2:00 PM
- 9.4.55 **ATTENDED NP INVITED POSTERS:** Group 3 Posters exhibit for Saturday only (2 hrs CE).
See www.aanp.org for list of all invited poster presenters.
- 12:00 PM – 2:30 PM
UNOPPOSED EXHIBIT HALL TIME (Luncheon Food Court will be available within the Exhibit Hall on Saturday)
- 3:00 PM – 4:15 PM
CONCURRENT PRESENTATIONS (1.25 hrs CE)
- 9.4.58 **Pelvic Floor Muscle Retraining in Men and Women: A Master Class.** Mikel Gray, PhD, FNP, PNP, CUNP, FAANP, FAAN, Charlottesville, VA
- 9.4.59 **Pressure is Rising: Hypertensive Management in the Acute Neurosurgical Patient.** Delmar Imperial-Aubin, RN, MSN, ACNP-BC, CCRN, Houston, TX
- 9.4.60 **When the Pump Fails: A Case Study Approach to the Etiology and Optimal Management of Heart Failure in 2009.** Katharine Douaihy, PhD, CRNP, BC-ADM, Scranton, PA
- 9.4.61 **Leadership: The Tool to Business Success.** Cathy Clodfelter, MS, CRNP, MinuteClinic, Minneapolis, MN

- 9.4.62 **More Than Moody: Assessment and Treatment of Adolescent Depression.** Barb Malat, CNP, PA-C, Rochester, MN
- 9.4.63 **Dangerous Liaisons: Drug-Drug, Drug-Nutrient Interactions.** Margaret A. Fitzgerald, DNP, FNP-BC, NP-C, FAANP, CSP, North Andover, MA
- 9.4.64 **Applying Musculoskeletal Therapeutics to Treat Common Medical Problems.** Lawrence B. Li, MD, MPH, FAAFP, Lompoc, CA
- 9.4.65 **Clinical Trials: Can They Work in a Busy Practice?** Kathleen Berra, MSN, ANP, FAAN, Stanford, CA and Frances M. Rankin (Sahebzamani), PhD, ARNP, FAANP, Tampa, FL
- 9.4.66 **A Bloody Mess: Recognition & Management of Coagulopathies and DIC.** Christine Kessler, MN, CNS, ANP, BC-ADM, Washington, DC
- 9.4.67 **Evaluating and Managing Seizures in Older Adults.** Joseph I. Sirven, MD, Scottsdale, AZ
- 9.4.68 **Travel Health from the Occupational Perspective!** Lynn Green, APNP-BC, NP-C, MHC, MSN, CNHP, Green Bay, WI
- 9.4.69 **Picture Perfect: Selecting the Best Imaging Studies (Radiology Tests) to Make the Diagnosis.** Amelie Hollier, DNP, FNP-BC, FAANP, Lafayette, LA
- 9.4.70 **Inflammation in Asthma and COPD.** Catherine (Casey) S. Jones, RN, MSN, ANP-C, AE-C, Bedford, TX
- 9.4.71 **Solving Medical Mysteries: A New Approach to Unexplained Symptoms.** David D. Clarke, MD, Happy Valley, OR
- 9.4.72 **Diagnosis and Treatment of Common Skin Infections in an Army Troop Medical Clinic: Focus on MRSA.** LTC John Buckwalter, FNP-BC, Fort Benning, GA

3:00 PM – 6:00 PM

WORKSHOPS AND SEMINARS (2.75 hrs CE)

- 9.4.74 **Cutaneous Malignancies.** *This lecture will include skin cancers, lesions that commonly are mistaken for malignancies, treatments and prevention.* Barbara McKeehen, MSN, ARNP, DNC, Largo, FL
- 9.4.75 **Creating a Chart Auditing Program: Part 2** (second half of 6 hour course). *In Part 2 of this course you will roll up your sleeves and practice auditing sample records, including office visits for new and established patients, consultations, and hospital encounters. At the end of the day, after completing Part 1 (9.4.35) and Part 2, you will have the tools you need to create an auditing program that you can take back to your practice.* Barbara Pierce, CCS-P, ACS-EM, West Des Moines, IA
- Registrants for the course are required to attend Part One and Part Two.
(Limited to 75 registrants)
- 9.4.76 **Breast Cancer Risk Assessment.** *This case-based workshop explores breast cancer risk assessment tools to help NPs more accurately assess cancer risk and/or predict outcomes. Risk assessment will center around the Gail and Claus Models and introduce predictive testing. At the end of the workshop you will be able to provide better patient assessment and integrate breast cancer risk assessment into your practice in a useful way.* Diane C. Seibert, PhD, CRNP, Bethesda, MD and Quannetta T. Edwards, MSN, MS, PhD, WHCNP, FAANP, Fullerton, CA.
(Limited to 75 registrants)
- 9.4.77 **Abdominal Pain: What the Primary Care Clinician Needs to Know!** Repeat of Session 9.3.27 (see page 9 for description)
(Limited to 80 registrants)
- 9.4.78 **Castling and Splinting Workshop: It's Broke – Fix It!** Repeat of Session 9.4.28 (see page 11 for description)
(Limited to 56 registrants)
- 9.4.79 **Brain Imaging: Interpretation of Brain CT and MRI.** *This presentation will provide an orientation to brain anatomy and correlate that anatomy to brain CT/MRI identification of differences in the interpretation of contrast and non-contrast studies will be discussed. Diagnostic imaging along with case studies will be presented for a variety of CNS conditions. This will allow the NP to understand different clinical presentations, which studies to order and how to interpret those studies.* Angela Nelson, MSN, RN, CCRN, ACNP-BC, New York, NY
- 9.4.80 **Nurse Practitioners Role on the Hospitalist Service: Advancing Opportunities.** *Panel presentation exploring development of hospitalist medicine and role of the NP on the hospitalist service. Includes discussion of integration of NPs in hospitalist services in both academic medical hospitals and community hospitals.* **Moderator:** Ruth M. Kleinpell, PhD, RN, ACNP, FAANP, FAAN, Professor, Rush University College of Nursing, Chicago, IL. **Panelists:** Michael H. Ackerman, DNS, RN, ACNP-BC, FCCM, FNAP, FAANP, Senior Instructor, University of Rochester School of Nursing and Mary Alice Terboss, RN, BSN, MSN, FNP, Rochester, NY; Brian R. Buchner, RN, MS, ACNP-BC, Woodwinds Hospital Service, HealthEast Care System, Minneapolis-St. Paul, MN; and Mitchell J. Wilson, MD, Co-Chair, Society of Hospital Medicine Non-Physician Practitioner Committee, Chapel Hill, NC
- 9.4.81 **Musculoskeletal Injections and Arthrocentesis.** Repeat of Session 9.4.31 (see page 12 for description)
(Limited to 70 registrants)
- 9.4.82 **Sports Medicine Workshop.** Repeat of Session 9.3.32 (see page 10 for description)
(Limited to 75 registrants)

4:45 PM – 6:00 PM

CONCURRENT PRESENTATIONS (1.25 hrs CE)

- 9.4.84 **Antibiotics in Acute Illness.** Douglas E. Houghton, ARNP, MSN, CCRN, Miami Beach, FL
- 9.4.85 **Recognition and Treatment of Eating and Exercise Disorders in the Female Patient.** Barb Malat, CNP, PA-C, Rochester, MN
- 9.4.86 **Chronic Wound Care in the Elderly: An Update.** Nanette Lavoie-Vaughan, MSN, ARNP-C, Raleigh, NC
- 9.4.87 **Endothelial Dysfunction: Novel Ways to Mend Vascular "Potholes."** Christine Kessler, MN, CNS, ANP, BC-ADM, Washington, DC
- 9.4.88 **Competency Based Orientation Designed for Retail Clinics.** Jill Johnson, RN, MSN, FNP-BC, CCRN, CEN, CFRN, Lexington, KY
- 9.4.89 **Seizure Emergencies.** Joseph I. Sirven, MD, Scottsdale, AZ
- 9.4.90 **The Heart Including the Cardiac Conduction System in Sudden Death in Obese Young People.** Saroja Bharati, MD, Palos Heights, IL

- 9.4.91 Stress Injuries and Fractures in the Military Population. Major Brad Franklin, RN, MSN, FNP-C, El Paso, TX
- 9.4.92 It's Not All in Vein: Strategies to Select the Best Lab Tests in Primary Care. Amelie Hollier, DNP, FNP-BC, FAANP, Lafayette, LA
- 9.4.93 Integrative Travel Medicine: What are the Options? Lynn Green, APNP-BC, NP-C, MHC, MSN, Green Bay, WI
- 9.4.94 Aging & Mental Health: Behavioral Interventions and Stress Management. Georgia L. Stevens, PhD, PMHCNS, BC, Washington, DC
- 9.4.95 HIV Clinical Update for the Primary Care Provider. Carl A. Kirton, DNP, RN, ANP-BC, ACRN, New York, NY
- 9.4.96 A Clinician's Guide to Finding the Best Current Evidence for Practice. Leslie-Faith Morritt Taub, ANP-C, GNP-BC, CDE, CBSM, DNSc, Staten Island, NY
- 9.4.97 Vasculitis Syndromes: Simple Skin Rash or First Sign of Catastrophic Multi-Organ Dysfunction Syndrome (MODS). Brandon M. Foster, APRN, MSN, CCRN, CNS, ACNP-P, Lexington, SC
- 9.4.98 The Atopic March: Atopic Dermatitis, Allergic Rhinitis and Asthma in Children. Kathleen Conboy Ellis, PhD, ARNP, AE-C, St. Petersburg, FL

8:00 AM – 9:15 AM

CONCURRENT PRESENTATIONS (1.25 hrs CE)

- 9.5.10 Sickle Cell Anemia: An Overview. Jackie B. Broadway-Duren, MSN, FNP-C, Houston, TX
- 9.5.11 Parkinson's Pills, Brain Batteries and Self Injections. Marye Dorsey Kellermann, PhD-ABD, CRNP, Lutherville, MD
- 9.5.12 Management of Common Pediatric Urological Problems in the Child. Mikel Gray, PhD, FNP, PNP, CUNP, FAANP, FAAN, Charlottesville, VA
- 9.5.13 Hypoestrogenemia of Athletic Women: Osteoporosis, Disordered Eating, Amenorrhea. Eric E. Coris, MD, Tampa, FL
- 9.5.14 Management of Patients with Cirrhosis. Cheryl D. Levine, PhD, FNP, CCTI, Dallas, TX and Christopher L. Fowler, PhD, ACNP, Fort Worth, TX
- 9.5.15 Collaborative Practice: Perspective from Both Sides. Donna Haugland, MSN, FNP-BC, MinuteClinic, Minneapolis, MN and Francisco Trilla, MD, Harvard Medical School, Boston, MA
- 9.5.16 Tracheostomy: Acute & Chronic. Carol Thompson, PhD, ACNP-BC, FCCM, FAANP, Memphis, TN
- 9.5.17 Cultural Barriers in Men's Health: Why men don't take care of themselves and can you do anything about it? Bruce S. Zitkus, EdD, CANP, CFNP, CDE, Patchogue, NY
- 9.5.18 Subclinical Thyroid Disease. Allen S. Burris, MD, FACP, Richmond, VA
- 9.5.19 Mama's Not Right! Comprehensive Management of Behavioral Problems in the Elderly. Nanette Lavoie-Vaughan, MSN, ARNP-C, Raleigh, NC
- 9.5.20 Tricks of the Trade in the Recognition and Treatment of Depression in the Primary Care Setting. H. James Brownlee, Jr., MD, Tampa, FL
- 9.5.21 When Taking Medicine Makes Patients Sicker: Identifying and Managing Adverse Drug Reactions. Amelie Hollier, DNP, FNP-BC, FAANP, Lafayette, LA
- 9.5.22 Immunotherapy: Routine to Innovative. Barbara A. Biedrzycki, MSN, CRNP, CCRP, AOCNP, Baltimore, MD
- 9.5.23 Acute Kidney Injury: Prevention, Recognition, Therapy. Mary G. Schira, PhD, RN, ACNP-BC, CNN-NP, Arlington, TX
- 9.5.24 Trauma Resuscitation: Controversies and Complications. Daria C. Ruffolo, RN, MSN-CS, CCRN, ACNP, Chicago, IL

8:00 AM – 11:00 AM

WORKSHOPS AND SEMINARS (2.75 hrs CE)

- 9.5.30 Ortho Assessment and Treatment of Lumbar & Cervical Complaints. *Review the ortho-neuro anatomy of the spine and explore the exam, diagnosis & treatment of complaints involving the lumbar and cervical spine commonly found in the primary care setting. Malignant conditions also will be highlighted. Learn physiologic tests & pearls of practice. Imaging studies of the spine will be reviewed and their clinical correlations discussed.* Gregory B. Holm, PhD, NP-C, FAANP and Assistants, Tampa, FL
- Please wear "active wear" clothing. Attendees will perform assessments on one another during the hands-on portion of this workshop. (Limited to 100 registrants)
- 9.5.31 • **Integrated Complex Wound and Limb Salvage Clinic: Advancing the Science of Wound Healing in the Combat Injured Through Advanced Technology and Translational Research.** *This session will discuss the current state of the science for wound healing in the combat injured at the Walter Reed Army Medical Center/National Naval Medical Center Complex Wound and Limb Salvage Clinic. The Complex Wound and Limb Salvage Clinic is an integrated program funded by the Combat Wound Initiative for the advancement of wound healing through clinical innovation and translational research. Topics will include current issues in wound healing, advanced wound healing technologies and techniques & research initiatives presently underway.* CDR David R. Crumbley, MSN, CWCN, Bethesda, MD; LTC Priscilla Quackenbush, FNP-BC, NP and Sharon R. May, Med, RN, WOCN, Washington, DC
- **Computer Assisted Rehab Environment (CAREN) System Use in Rehabilitation of the Combat Wounded.** *Visual demonstration on how the Computer Assisted Rehab Environment (CAREN) System, part of The Military Advanced Training Center, is used in the rehabilitation of the combat wounded. The CAREN is an innovative technology that builds a virtual environment around the rehabilitating patient and is best described as a computer driven interactive virtual environment that employs a big screen and a treadmill that is bolted to a helicopter simulator.* COL Richard Ricciardi, PhD, NP, FAANP and Sarah Kruger, MS, Washington, DC

- 9.5.32 **Sports Medicine Workshop.** Repeat of Session 9.3.32 (see page 10 for description)
(Limited to 75 registrants)
- 9.5.33 **Honing Your Cardiac Exam: A Focus on Heart Sounds and Murmurs.** *Hone your cardiac exam skills in this case-based session. Highlights include obtaining a symptom-focused health history for the person with or at risk for cardiovascular disease, identifying the components and significance of findings in the symptom-focused cardiac exam, identification of abnormal heart sounds, common systolic murmurs, and select 12-lead ECG evaluation in acute coronary syndrome and chamber hypertrophy.* Margaret A. Fitzgerald, DNP, FNP-BC, NP-C, FAANP, CSP, North Andover, MA
- 9.5.34 **Airway Management: Skills for the Nurse Practitioner.** *NPs are having increased responsibility during resuscitation efforts requiring new skills. This session will concentrate on concepts of airway management from both a didactic and clinical simulation perspective. A thorough overview will be provided of airway anatomy and airway risk stratification. Early intervention techniques such as airway positioning and bag valve mask use will be reviewed and demonstrated. The program will culminate with a review and return demonstration of rapid sequence intubation, oral tracheal tube placement using direct laryngoscopy, retrograde intubation as well as the clinical indications, use and placement of laryngeal mask airways.* Steven W. Branham, RN, MSN, ACNP-C, FNP-C, CCRN, Houston, TX; Erika M. Schwelnus, DNP, ACNP, CNP, Chicago, IL; and Tobias P. Rebmann, RN, MSN, ACNP, CCRN, Tyler, TX
(Limited to 30 registrants)
- 9.5.35 **Benign Dermatology Conditions.** *Presentation of common dermatologic conditions manageable in the non-dermatology setting such as Rosacea, seborrheic dermatitis, drug reactions, contact dermatitis, eczema, etc. and how to properly prescribe topical agents.* Barbara McKeen, MSN, ARNP, DNC, Largo, FL
- 9.5.36 **Spotlight on Common Disease: Taking a Closer Look at Genomics in Primary Care.** *This workshop highlights the areas in primary care where genomic information is making a difference in patient outcomes. A variety of common primary care conditions will be used as examples to make this a very practical, immediately useful genomics session.* Diane C. Seibert, PhD, CRNP, Bethesda, MD; Ann Hurdle Maradiegue, PhD, FNP-BC, FAANP, Fairfax, VA; and Susanne M. Humphreys, ARNP, CPNP, Jacksonville, AR
(Limited to 50 registrants)
- 9.5.37 **Primary Care Management of the Headache Patient.** *This presentation will describe signs and symptoms of tension type, migraine and cluster headaches. Red flags that could signal potential life-threatening conditions also will be described. Neurological assessment of the patient with headaches will be described. Management of chronic headaches, pharmacological agents, patient education and other modalities will be discussed.* Diane C. Viens, DNSc, APRN, FNP, FAANP, New Haven, CT
- 9.5.38 **Complementary and Alternative Medicine for Primary Care Practices.** *Overview of theoretical framework and state of the science for incorporating CAM into primary care practice. Will include case studies, experiential component and sources for future exploration.* Jo Lynne Robins, RN, ANP, PhD, CHTP and Margaret (Margee) Rees Krebs, RNC, MS, WHNP, ANP, Richmond, VA

9:45 AM – 11:00 AM

CONCURRENT PRESENTATIONS (1.25 hrs CE)

- 9.5.40 **But I'm Not a Therapist! Dealing with Depression and Anxiety in Women in Primary Care Settings.** Oralea A. Pittman, MS, FNP-BC, Bellefontaine, OH and Elizabeth R. Barker, PhD, APRN, BC, FAANP, FACHE, Columbus, OH
- 9.5.41 **Obesity Management in Primary Care: What the Clinician Needs to Know!** Bruce S. Zitkus, EdD, CANP, CFNP, CDE, Patchogue, NY
- 9.5.42 **Measuring Performance: Service Expectations of the Occupational Health Nurse Practitioner.** Arlene Guzik, DNP, ARNP-BC, COHN-S, FAAOHN, Dunedin, FL
- 9.5.43 **Emerging Infectious Disease in Pediatrics: Some Old and Some New.** Catherine O'Keefe, DNP, APRN-NP, CPNP, Omaha, NE
- 9.5.44 **Nursing Leadership in Retail Healthcare.** Donna Haugland, MSN, FNP-BC, MinuteClinic, Minneapolis, MN
- 9.5.45 **STD Update: Newest Diagnosis and Treatment Guidelines for Men and Women – Everything You're Itching to Know.** R. Mimi Secor, MS, MEd, FNP-BC, FAANP, Upton, MA and Roger A. Green, DNP, FNP, FAANP, Palm Springs, CA
- 9.5.46 **The Red, White and You: Management of Chemo-Induced Anemia and Neutropenia.** Jackie B. Broadway-Duren, MSN, FNP-C, Houston, TX
- 9.5.47 **Bugs, Drugs and Antibiotic Resistance.** Amelie Hollier, DNP, FNP-BC, FAANP, Lafayette, LA
- 9.5.48 **Looking for Zebras: Abnormal Presentations in the Elderly.** Nanette Lavoie-Vaughan, MSN, ARNP-C, Raleigh, NC
- 9.5.49 **Management of Gestational Diabetes.** Allen S. Burriss, MD, FACP, Richmond, VA
- 9.5.50 **The Dangerous Combination of Heat, Humidity and Exercise: Heat Illness in Athletes.** Eric E. Coris, MD, Tampa, FL
- 9.5.51 **Organizational Structure to Support NP Practice in Acute Care Settings.** Michael H. Ackerman, DNS, RN, ACNP-BC, FCCM, FNAP, FAANP, Rochester, NY
- 9.5.52 **Improving Outcomes in Chronic Kidney Disease.** Andrew S. Narva, MD, National Kidney Foundation, Bethesda, MD
- 9.5.53 **Diagnosis and Management of Life Threatening Electrolyte & Metabolic Disturbances.** Sophia Chu Rodgers, ACNP, NP-C, FAANP, FCCM, Albuquerque, NM
- 9.5.54 **A Race Against Time: The Patient with Acute Liver Failure.** Lynn Kelso, MSN, RN, ACNP-BC, FCCM, FAANP, Lexington, KY

11:15 AM – 12:15 PM

- 9.5.58 **CLOSING KEYNOTE: Eradicating Tobacco Use: What It Will Take (1.0 hr CE).**

Cheryl A. Heaton, DrPH, American Legacy Foundation, Washington, DC

Following the creation of the American Legacy Foundation in 1999, Dr. Cheryl Heaton joined the staff as the first president and chief executive officer of this groundbreaking public health nonprofit. Dr. Heaton has worked tirelessly to further the foundation's ambitious mission: to build a world where young people reject tobacco and anyone can quit. During her tenure with the foundation, she has guided the highly acclaimed, national youth tobacco prevention counter-marketing campaign, truth®, that has been credited in part with reducing youth smoking prevalence to its current 28-year low. Although her current focus is aimed at reducing the deadly toll of tobacco on Americans, Dr. Heaton's long and dynamic career in the field of public health has earned her national recognition and praise.

REGISTRANT'S NOTES TO CONFERENCE STAFF:

Support the AANP Foundation in Nashville!

Help the AANP Foundation help NPs while participating in AANP Foundation events at the 2009 AANP National Conference. Big favorites like the AANP Foundation Store, the AANP Foundation Supporter Pin Fundraising Drive, and the AANP Foundation Sweepstakes will once again make an appearance. The AANP Foundation will also host a variety of events, pending corporate sponsorship. Events planned include the AANP Foundation Relaxation Station, the AANP Foundation Signature Challenge, and the new AANP Foundation Commemorative Round-Up.

The AANP Foundation is an independently incorporated 501(c)(3) charitable non-profit organization. Beginning operations in March 1998, the AANP Foundation is the first national foundation of its kind supporting NPs of all specialties. Please support the AANP Foundation in 2009 ... your support equals continued success! Annual fundraising events support AANP Foundation activities and endeavors, which allow the AANP Foundation to support NP excellence. Fundraising has enabled the AANP Foundation Scholarship & Grant Program to award \$549,650 (as of December 2008) to AANP members! With your help, this important program will continue to grow.

Supporting the AANP Foundation will be fun and easy at the 2009 AANP National Conference. Don't forget to check out the new merchandise at the AANP Foundation Store, purchase your 2009 AANP Foundation Supporter Pin, and make that important tax-deductible donation. Help the AANP Foundation fulfill its mission of supporting NP excellence and help make 2009 the best fundraising year yet. The AANP Foundation looks forward to seeing you in Nashville!
